Krawallgeier - How did the band form?

shroud of bereavement was my solo project my dream and my way of life. after writing 2 entire albums of material i decided to seek out a live band. and thats it

Krawallgeier - How would you describe your music style?

we play neo-classical doom/death metal with violins and female vocals. dark sad,depressing emotive doom from the soul

Krawallgeier - Which bands are your paragons?

my dying bride,king diamond,anathema,the third and the mortal,morgoth,mozart,beetoveen,candlemass.

Krawallgeier - Do you follow these bands? / Do you copy these bands?

i have had some amount of influence but i would never say i copied anyone. i try not to let bands directly influence me. mainly all i listen to is my music nowadays...because i find it hard to find bands that are doing what i like.

Krawallgeier - How do your songs come into existence?

i start with a mood or vision or some experience that has happened in my personal life and go from there some times it takes a year to write a song and some times it takes a week. it is all from my heart and i sing about the pains in life. and recreate them through my music

Krawallgeier - What about gigs? Do you have many gigs?

we play about 3 or 4 times a month. our label is talking about sending us on tour in europe so we are very excited about that. i look forward to meeting you some day!

Krawallgeier - Are they well attended?

yeah for the area we live in we get about 50 to 100 people at our shows in our local area. we havent really ventured off more than 100 miles though. we plan to this summer for sure and we will see!

Krawallgeier - Are the people content with your live-Performance?

aside from the revolving door of band members most people love us live...if you would like ill send you some live stuff! we sound much better with a full 8 people but thats hard to maintain.

Krawallgeier - How is the reaction of the people refered to your music style? Any criticism?

not much criticism.  
mostly positive comments ...most people are blown away by our performances...having such a huge sound live.

Krawallgeier - Why do you make music? (mission, passion, expression, hobby)

music is my life...it is my all

Krawallgeier - Let's talk about your albums. / Tell us something about your albums?

we have a new album being released by screaming ferret wrecords at the end of jan...it will be entittled "alone beside her" it will have 4 tracks and end up being about 45 minutes totall...we may add a live dvd track or something extra as well. be prepared to be blown away

Krawallgeier - What about the future of the band. Have you got some plans or do you

just wait and see?

we plan to tour europe and support our new album...we will also record the new album with the live band instead of it being all myself. im very excited.

Krawallgeier - Is there anything you want to tell the people out there? Like a final say?

support under ground music and support doom it is very over looked and deserves your support and lastly by our album.
