

The Circle Of Zaphyan

Krawallgeier - Who are the members of the band and what instrument does each of them play?

Athanassios (guitars, keys) , Apollon (vocals)
George (drums) , Ilias (bass)

Krawallgeier - How did the band form?

The Circle Of Zaphyan was created at the start of 2002 by Athanassios Aggelis, (who is the basic composer) and Kostas Savvidis (drums, ex-Nightfall). Later on Apollon Zigmoulas joined the band as the vocalist and lyrics writer

Krawallgeier - How would you describe your music style?

Sinister/chaotic/space death metal

Krawallgeier - Which bands are your paragons?

Noone in particular. There are influences of course, but all used wisely in order to create a very personal style. Some influences are Devil Doll, Arcturus, Morbid Angel, Bolt Thrower, Entombed, Samael but using these names in describing our style, only as a tribute to our capabilities.

Krawallgeier - Do you follow these bands? / Do you copy these bands?

do we need to copy other bands ?

Krawallgeier - How do your songs come into existence?

from the soul to the mind to the body, that's how every song is born

Krawallgeier - What about gigs? Do you have many gigs?

No gigs.

Krawallgeier - Are they well attended?

No gigs.

Krawallgeier - Are the people content with your live-performance?

No gigs.

Krawallgeier - How is the reaction of the people referred to your music style? Any criticism?

the best thing so far is that people believe that we have our own style as a band and our music is an original reflection of our twisted souls

Krawallgeier - Why do you make music? (mission, passion, expression, hobby)

the need of our inner voice to be heard, it's like a curse you know, a passion so divine that leads you straight to hell

Krawallgeier - Let's talk about your albums. / Tell us something about your albums?

in general our albums are inspired by space, strange phenomena of the universe, science and technology, and the dramatic part of human nature all that filtered through a 'veil' of inner searching, with a mood of melancholy and dark atmosphere...with one word, chaotic.

Krawallgeier - What about the future of the band. Have you got some plans or do you just wait and see?

We have many plans. Space is eternal and infinite. Or is it not?

Krawallgeier - Is there anything you want to tell the people out there? Like a final say?

open the circle and let the dark matter swallow your soul.

Krawallgeier - Thank you for this interview.
