

D.O.D.

Krawallgeier - Who are the members of the band and what instrument does each of them play?

Hello we are D.O.D. I am mahatma Ayatolla Voice and guitar and the drummer is Karl he also do the vocals

Krawallgeier - How did the band form?

We where students at a grafich school and as a part of the education you have to form a band at the conservatorium(School to become a musician). All the other students form a fuct up cover band playing songs of Live, Spin Dockters, Kane and more fucking crap. And me and Karl decided to play our kind of music and irritate the fucking pop teachers , Students who only jerk off there guitar like zakk wylde and all other techno, alternative hippie bitches,

Krawallgeier - How would you describe your music style?

Extreme metal simple just riff and rhythm with scream vocals and lyrics about a fucked up decide on earth cald human race

Krawallgeier - Which bands are your paragons?

Today is the day, Darktrone, High on fire, Length of time, My dying bride, Necropagia, Mayhem ,Burzum ,Satyricon, Anal cunt, King Crimson, Arkangel, Novembers Doom, Black Sabbath, Sepultura but we listen to al kind of music Not only metal

Krawallgeier - Do you follow these bands? / Do you copy these bands?

They follow al kind of interesting things from underground and mainstream. But D.O.D. is our feeling and you cant copy others feelings.

Krawallgeier - How do your songs come into existence?

They make a song in 3 or 4 minutes of 1 or 2 riffs and after that we play and jam it and the song grows like a plant.

Krawallgeier - What about gigs? Do you have many gigs?

Where finishing our demo and after that we will try to get more gigs we did 10 shows in 1 year now.

Krawallgeier - Are they well attended?

YES

Krawallgeier - Are the people content with your live-performance?

They really have to learn in playing live with our sound specially because we're a 2 piece band but our goal is to give the audience a tornado of anger.

Krawallgeier - How is the reaction of the people referred to your music style? Any criticism?

Some people are not openminded they have too many dogmas in watching a band they only want to see Dimmu Borgir part 2 and are not open for a 2 piece metal band and we make more fucking noise than many 6 piece death metal bands!!!!!!but we have good reactions after all our shows especially of people who want to play bass in our band.

Krawallgeier - Why do you make music? (mission, passion, expression, hobby)

I don't know I just started and never stopped.

Krawallgeier - Let's talk about your albums. / Tell us something about your albums?

We got one CD Disciples of darkness released on W.E.C.F.B. RECORDS but it got money problems so it stopped. We've just recorded some new stuff that was also on our old album and gonna bring out a tape by ourselves called CHAOS WORLD TAPE.

Krawallgeier - What about the future of the band. Have you got some plans or do you just wait and see?

Who just want to play all over Europe. And be a pain in the ass for the authorities, multi nationals, Muslim/Jesus extremist and other!!!

Krawallgeier - Is there anything you want to tell the people out there? Like a final say?

Email and write us we like to have contact with other musicians/bands/music fans all over the world. And think for yourself question authority!!!!

Krawallgeier - Thank you for this interview
